

Request for Marriage Preparation

If you would like to begin preparation for Marriage, please provide the following information. Keep in mind that you should allow a minimum of six months for preparation and we cannot reserve the church until you have met with a priest. If you have a specific date or priest that you would like to request, you can add that to the additional comments below. You can expect to hear from a priest to set up your initial meeting within two weeks of submitting your request.

Please email your information to Trinityoffice@htscatholic.com, or call the parish office at (417) 883-3440, with any questions.
